

OCEAN PRIME

SEAFOOD • STEAKS • COCKTAILS

About:

Ocean Prime is a nationally-acclaimed, dynamic seafood and steakhouse from the award-winning [Cameron Mitchell Restaurants](#). Ocean Prime delivers an elevated experience with exceptional ambiance, a chef-curated menu, signature hand-crafted cocktails, a Wine Spectator-honored wine list and genuine hospitality. Ocean Prime's menu is elaborate and modern, featuring indulgent seafood presentations, prime steaks, hand-rolled sushi, decadent side dishes and house made desserts. Each dish is carefully made from scratch by the chef team, emphasizing quality ingredients. Ocean Prime cocktails are inspired by classics and delivered with creativity. Just as the concept's chef's approach to food, its bartenders take a thoughtful approach to cocktails, using the finest spirits, hand-squeezed juices, and unique aperitifs. Guests create lasting memories raising a toast with their signature smoking Berries & Bubbles or spicy Pineapple Picante.

Every Ocean Prime restaurant is uniquely designed to capture the energy and elegance of each city -- making it an unmatched destination to socialize, talk business, celebrate, and indulge. Each location features stunning private dining rooms fit for celebrating with groups of all sizes. Guests can expect best-in-class hospitality from the passionate and knowledgeable associates coast-to-coast. Embracing its midwestern roots, Ocean Prime places the highest value on its people. They care deeply about delivering genuine hospitality and believe that every member of the team is essential to creating a memorable Ocean Prime experience. Ocean Prime empowers its associates to say, "Yes is the answer. What is the question?"
